All those who observe sessions, new or old members, may kindly give feedback in the ASET itself and share that screenshot to the coord/Ac.. [14]			
TM/DM should explain about session reports properly to new members to avoid referred backs			
2 DMM should be there, if TM and DM is not present in the team			
Minimum 2 members should be there for team management			
If a member is not working sincerely, not taken leave do not allow the irresponsible behaviour of them and don't allow them to work			
If you are getting members from direct team then they have to attend the ort done by pinnacle			
Every session must have feedback at the end and fun games for 5-10 mins in the session			
For any confusion in referred back, connect with concerned TAC or Sushmita mam			
Reports should be properly elaborated (Topic , impact , attendance, way to teach , assignment etc)			
Proper guidance to Simtrak members for sessions			
Session quality should be the priority.			
The intro note must have the syllabus to be followed.			
The first session should be an intro session and the last session should be the closing ceremony. (In the ASET)			
Certificates should be given to the students who attend all the sessions of the ASet. (In progress)			
Feedback of report of members should be given to the TAC			
Session must be in a comfortable language that suits both volunteer and students			
do not share internal organization problems with new members
